

PRODUCERS & INSTALLERS OF PREMIUM PEAT GROWN SOD

California Native Sod

Delta Grassland Mix™

June Grass – *Koeleria macrantha*
Slender Hairgrass – *Deschampsia elongata*
Molate Fescue – *Festuca rubra*

A premium soft grass with a botanical emerald green color. Provides a unique contrast when planted in ornamental settings.

- Narrow fine leafed texture
- Moderate wear resistance
- Slow growing, tuft forming, clumping grass
- Persists under drought conditions
- Prefers to grow in partial shade & tolerates full sun
