90/10 Tall Fescue

Penn RK4 Tall Fescue

Rebel XLR Tall Fescue

Firecracker SLS Tall Fescue

Ridgeline Kentucky Bluegrass

- TWCA and A-List Turf certified varieties provide superior drought tolerance with deep water seeking roots
- Salt Tolerant Lateral Spread (SLS) varieties provide enhanced plant density and recovery in high traffic areas
- Dark green color year round, adapts to shade and winters well
- Low maintenance with very little thatch buildup
- Excellent heat tolerance and improved disease resistance
- Mowing height as low as 1-1/2 to 2 inches
