PRODUCERS & INSTALLERS OF PREMIUM PEAT GROWN SOD

GROWN ON DEGRADABLE NETTING

Bolero Plus[™]

90% Bolero[™] Brand Dwarf Fescue
10% Ridgeline Kentucky Bluegrass

New and Improved Bolero Plus[™], with Lateral Spread Technology provides enhanced turf cover and uniform growth.

- Fine bluegrass-like texture sets Bolero[™] apart from other tall fescues varieties
- Bolero's compact growth habit results in a lower maintenance turf with fewer clippings
- Exceptional dark green genetic color year around
- Improved drought and heat tolerance
