

PRODUCERS & INSTALLERS OF PREMIUM PEAT GROWN SOD

GROWN ON DEGRADABLE NETTING

California Native Sod™

Native Preservation Mix™

Purple Needlegrass – pulchra (California State Grass) Nassella

Nodding Needlegrass – Nassella cernua

Molate Fescue – Festuca rubra

Foothill Needlegrass – Nassella lepida

Needlegrass based mixes provide durable, long lasting cover
for ecological restoration projects in CA

- Drought tolerant — well adapted to dry conditions
- Erosion Control — needlegrasses help stabilize soils and prevent erosion
- Fire Resistance — needlegrass species burn slower than non-native grasses helping to mitigate wildfire risk
- Wildlife habitat — native species provide food and cover for various wildlife contributing to biodiversity
